The Coach will be suspended for two (2) games from the first offence and for the second offence, an automatic referral to the British Columbia Lacrosse Coaches Association for the appropriate disciplinary action.
13. Coaches and/or managers who receive a suspension, will be reported to the BCLA Field Directorate for any suspension under five (5) games that can be imposed by a League Commissioner. Any action by a Coach or a Manager that is the opinion of the local commissioner or BCLA Directorate that warrants further disciplinary action, will be immediately referred to the chairperson of the British Columbia Lacrosse Coaches Association for his/her appropriate action.
14. A suspended player will be removed from all team games, regardless of age division (i.e., cannot play up while suspended) until he/she has served the suspension, this suspension may be served during BCLA sanctioned tournament and league games only. The suspended player cannot participate in exhibition games that occur during the suspended number of games. The suspended player must not appear in the dressing room or on or near the player's bench. He will not participate in any official duties, i.e. - Timekeeping, Coaching, Score Keeping or Officiating (Referee) at any level. The player will be allowed to practice only with his/her team.
15. There is a difference between a game expulsion for severe incident and for accumulating five personal fouls. A game report must be given if there are to be any further game suspensions. A suspension must be accompanied by a written referee's report. The referee might eject player(s) from the field, simply, for that game, and not write a game report as he/she did not feel that the infraction warranted anything more.
16. **It is very important that each League Commissioner has all the facts and has done a thorough investigation prior to handing down a suspension.**
Depending upon the severity of the penalty, additional games may be imposed by the League Chairperson and/or the Field Directorate.

SUMMATION:

These penalties shall be cumulative throughout the entire career of a player in the BCLA Field Directorate and not restricted for one season. Thus, a player, after committing one offence, is deterred from repeating the offence instead of having a clean slate every year.

Any second offence requires the player to appear before the Field Directorate at the first meeting after the offence has taken place. This is to make the player more accountable for his/her actions.
